This institution is an equal opportunity provider and employer

Please complete the application for Hydraulic Investigation and return it to our office along with a map marked where you would like the meter or meters. If it is more than one meter, we will need a plat showing where each meter will be located.

Applications and a map or a plat along with payment can be mailed to Gholson Water Supply Corporation 12520 Gholson Rd. Waco, TX 76705.

Applications and maps or plats can be emailed to gholson_water_supply@live.com. Payment can be made by check, cash or money order payable to Gholson Water Supply Corporation. We will need a telephone number and address of the new meter.

The charge for the hydraulic study is \$100.00 minimum for one meter up to \$300 for three meters. \$25 per meter is charged for every meter over three meters.

The meter cost \$2,650.00 plus engineering fee. Additional cost if improvements, road bores or extensions needed.

Approved meters will be valid for 90 days from the approval date.

Meters not installed within 90 days will require a new Hydraulic Investigation.

GHOLSON WATER SUPPLY CORPORATION

**APPLICATION FOR HYDRAULIC INVESTIGATION OR DESIGN TO SERVE
ADDITIONAL METER OR METERS**

Application made this _____ day of _____ 20 _____ for
water service with Gholson Water Supply Corporation by:

Name: _____

Address: _____

City & State: _____

Telephone: _____

Email: _____

Hereafter called “applicant”. Applicant agrees to pay \$100.00, in advance, which is non-refundable for the purpose of engineering, paper work, etc. Any added cost will be at the applicant’s expense. This is not a service agreement, only an application for a service study. Charge is \$100 minimum for one meter up to \$300 for three meters. \$25 per meter is charged for every meter over three meters. Additional charges may apply if a Cost Estimate for the improvements is needed.

A time of three weeks should be allowed for engineering work-ups and mailings. The water system’s Engineer will report his findings directly to the Board of Directors who will in turn contact the applicant.

Approved meters will be valid for 90 days from the approval date. Meters not installed within 90 days will require another Hydraulic Investigation.

Signature: _____

Amount paid: _____

GHOLSON WSC Office use only- Please mark on a map the proposed applicant’s meter location and attach this request prior to forwarding to the engineer.
