This institution is an equal opportunity provider and employer

Please complete the application for Hydraulic Investigation and return it to our office along with a map marked where you would like the meter or meters. If it is more than one meter, we will need a plat showing where each meter will be located.

***Water meter(s) must be installed within 10 feet of driveway. A "911" address will be required before a meter is installed.**

Applications and a map or a plat along with payment can be turned in at the office or mailed to the office. Address- Gholson Water Supply Corporation 12520 Gholson Rd. Waco, TX 76705.

Applications and maps or plats can be emailed to gholson_water_supply@live.com. Payment can be made by check, cash or money order payable to Gholson Water Supply Corporation. Credit/debit card payment is also accepted. We will need a telephone number, property ID number and service address of the new meter.

The cost for an engineering study

1 Meter	**$350.00**
2 Meters	**$1,125.00**
3-10 Meters	**$1,800.00**
11-49 Meters	**$2,550.00**
50-99 Meters	**$4,200.00**

The meter cost is $3,325.00 (Plus hydraulic study fee).
Any road bore or line upgrades needed will be at an additional cost to the member and determined by the engineer.

Approved meters will be valid for 90 days from the approval date.

Meters not installed within 90 days will require a new Hydraulic Investigation.

GHOLSON WATER SUPPLY CORPORATION

APPLICATION FOR HYDRAULIC INVESTIGATION OR DESIGN TO SERVE ADDITIONAL METER OR METERS

Application made this_____ day of_____ 20_____ for water service with Gholson Water Supply Corporation by:

Name:_____

Address:_____

City & State:_____

Telephone:_____

Email:_____

Hereafter called "applicant". Applicant agrees to pay the Hydraulic Investigation Fee in advance, which is non-refundable for the purpose of engineering, paperwork, etc. Any added cost will be at the applicant's expense. This is not a service agreement, only an application for a service study.
